

Lantana Names Dan Andersen as Program Director

Lantana Consulting Group is pleased to announce that Dan Andersen, PhD, MS, MPH has joined the firm as Program Director. He brings experience in public health, long term care, public reporting, and quality measurement including work experience at CMS and IMPAQ.

“I am excited to join the Lantana team,” says Andersen. “They have a reputation for delivering high-quality products and services to clients. I am looking forward to helping Lantana expand its footprint in quality measurement and reporting.”

Liora Alschuler, CEO states, “Dan’s skillset and experience are a great fit for us. We’re thrilled to have him on board and are confident that he will help us support and expand the value we bring to our clients.”

About Lantana

Lantana Consulting Group provides services for standards-based health information exchange. Our solutions help clients with quality and public health reporting, data management, terminology mapping, and specification development.
